Case Management & Managed Care

“We have had Jane as our son’s Case Manager for almost two years. She has gone above and beyond to acquire the best services and best care for our son, Devin. Jane knows exactly how to explain things to Devin so he can understand and she is a wonderful friend to our family. We are blessed to have Jane as Devin’s Case Manager. She is the best!”

Melanie Johnson, Mother & Guardian

“Jessica has always been very prompt at keeping us informed of changes. She is always looking out for what is best for the client.”

Y. E., Guardian

“Whenever there is a need, my personal care worker with Thomas Allen—always dedicated—always returns my phone calls and follows through, especially when my motorized wheelchair needed repairs. She worked so hard at getting it repaired. I am most grateful to Thomas Allen. Thank you so much to Barb. She helps me to understand my needs.”

Gratefully Yours, Therese E. Anderson

Residential

“Chris moved in to the Thomas Allen house in Chaska when it first opened. The staff has done a great job since day one. Some personnel changes have been made, everything has always gone smoothly. Chris’s quality of life has been excellent. We look forward to many years at the Thomas Allen home in Chaska. Thanks to everyone on the Thomas Allen team.”

Tom Johnson, Father

“We cannot express how appreciative and impressed we are with the services and dedication the staff has provided for our Lynette. The care and concern Lynette has received for 20 years through Thomas Allen’s Burnhaven and Parkwood programs are beyond anything we could have hoped for. In spite of Lynette’s complex health issues, she is happy and content to enjoy the company of all of the staff.”
