

## Thomas Allen Advisory Updates

Maintaining open communication and providing updates to those we serve, their family and other support team members and partners is a priority for Thomas Allen. This supports our mission statement: *Thomas Allen is committed to working together to provide meaningful quality life experiences to all people.* With open communication, we can all work together most effectively for maximum benefits for all.

On an approximate quarterly basis, this link will be updated to provide updates on that may encompass policy change, legislative and advocacy information, and other industry updates in Statutes and guidelines.

These updates will be coordinated by Kari Schuster, Executive Director/CEO and the Senior Leadership Team members.
